

Contract/Proposal between Town an Deschamps Mat Systems, Inc. to purchase (9) 5' x 16.5' RECPATH mats (Mobi-Mats), (11) 5' x 82' RECPATH mats (Mobi-Mats), and (18) 30deg. Turning angle RECPATH mats

Purpose of Project and Project Background: Background or Party with Whom the Town would sign the Contract: Purpose of purchase is to increase mat coverage from street to beach. The new mat designs are much lighter and more durable. In addition, they are now offered in many more lengths which will allow for fewer mats having to be connected together to obtain the desired length. This will also decrease staples and connection strips needed which will reduce maintenance as well as minimize some of the safety issues from the staples coming out and the connection strips coming apart.

Time frame to Complete Contract: Order end of March, lead time approximately 6 weeks
