

Contract/Proposal between Town and Winner Ford to: purchase (1) Ford F150 4x4 pickup truck.

Purpose of Project and Project Background: To replace one of the current 2004 Chevy Silverado pick-up trucks in the Public Works inventory. This truck currently has 169,000 miles on it. The new F150 will be used by the horticulture department. Upon delivery of a new truck to the water department, the truck currently used by Jim Seabrease in the water department will be passed to the Public Works Department, to be used for beach maintenance. The 2004 Chevy Silverado truck will then be sold at auction.

Background or Party with Whom the Town would sign the Contract: Winner Ford in NJ. is the State of Delaware Government contract vendor. The Town has bought the last 5 pick-up trucks through Winner using the Delaware contract.

Time frame to Complete Contract: Lead time is usually 3-4 months

Source of Funding:

FY 2015 General Fund, Capital purchase (40,000.7420) Public Works Department

Alternatives Considered: None
