V. Termination

If through any cause, EVI fails to fulfill in a timely and proper manner its obligation under this Agreement, or if EVI violates any of the terms and conditions of this Agreement, GRANTEE shall thereupon have the right to terminate this Agreement, after giving written notice to EVI, of its intent to terminate the Agreement and specifying the grounds of termination.

EVI shall have sixty (60) days from receipt of notice of termination to cure the said default. If the default is cured within the stated time, the Agreement shall continue, as if no default had occurred.
