# Town of Bethany Beach FY 2024 Budget Overview

#### **Budgetary Process**

The budget is prepared by the Town Manager in conjunction with the Finance Director and Department Managers. Department requests are discussed with an emphasis on minimizing waste while ensuring that employees have the tools needed to meet operational needs. The town-wide budget is compiled into a draft budget and submitted to the Budget and Finance Committee for review.

The purpose of the Budget and Finance Committee is to provide assistance and guidance to the Town Manager and staff leading to the development, drafting and review of the Town's annual budget, both short-term and long-term. The committee reviews the proposed budget and schedule of fees, conducts mid-year reviews comparing the budget to actual results and makes recommendations regarding budget adjustments. The Town's Fund Balance Policy gives direction to the Budget Committee regarding the appropriate level of Operating, Capital Replacement and specific reserves in each fund. The Budget Committee holds meetings, which are open to the public, generally in the months of January, February, March, July and October to accomplish these tasks.

The budget is presented to the Town Council in March. The Town Council reviews the budget and holds a public hearing to allow the public to provide input. The Council then votes to approve the budget or request specific changes. This vote usually occurs at the March Town Council meeting. Fiscal year 2024 runs from April 1, 2023 to March 31, 2024.

#### **Budget Segments**

The General Fund is the largest segment of the Town's budget and encompasses all Town services except for the Sanitation and Water Departments. The three main funding sources are property taxes, rental taxes and parking. The largest portion of funds goes to Public Safety which includes the Police Department and Beach Patrol (lifeguards). The second largest portion of funds goes to Public Works that includes Streets & Parks, Stormwater and maintenance of the Beach, Boardwalk and Comfort Station.

The Sanitation Department is a stand-alone Enterprise Fund. This means that it is a self-supporting department so that sanitation fees are used only for sanitation related expenses. The Sanitation Department's main operational costs are for personnel and for disposal fees charged by the Delaware Solid Waste Authority. Reserves are maintained for the replacement of trash trucks.

The Water Department is also a stand-alone Enterprise Fund. The operational and capital needs of the town water system are funded entirely through water specific revenue. Water services are priced with a goal of fully funding the current and future water service needs of the town. The Water Department's main operational cost is personnel followed by the chemicals needed to treat the water and then the electricity needed to run the equipment.

The Water Department Debt Service Fund is funded through a Sinking Fund Fee. This fee is charged to all properties based on front footage. Monies raised from this fee are restricted to use for repayment of the principal and interest of Water Department debt.

#### OCEAN VAYU YOGA

February 17, 2023

To Whom It May Concern,

Ocean Vayu Yoga would like to apply for an exercise concession for the 2023 summer season to teach yoga on the beach. We propose to hold a one hour class from 7:00am - 8:00am 7 days a week. The classes will be conducted on the sand at Central Blvd. The classes taught would be a, gentle beach flow appealing to a wide variety of students of varying abilities. We were so grateful to have had such a positive response to our beach classes last year and would love to offer yoga on the beach to our students as well as visitors again for summer 2023. We also love that our classes were held on Central Blvd. giving our students a little reprieve from the summer crowds on Garfield Pkwy.

Kim and Justin Cavagnaro 500 ERYT certified, opened Ocean Vayu Yoga in June 2016 with a combined 30+ years of yoga experience and 14+ years of teaching yoga. All the instructors employed by Ocean Vayu Yoga, are Certified under the Yoga Alliance at a minimum of the 200-hour level and hold personal liability insurance. The studio holds full liability insurance to cover teaching off premises.

Sincerely,

Kim & Justin Cavagnaro

TO: Julie Malewski, Town of Bethany Beach

Hi Julie.

I hope you had a good year and this message finds you well. It's the time of year where we start planning our beach classes and we would love to continue our tradition of doing so in Bethany!

Please find below our thoughts and success in offering (1) Weekly Sunday donation based beach yoga class for the summer of 2023.

We would like to hold a weekly class on the sand in front of the boardwalk/bandstand from 8-9 AM on Sundays. We would like to start Memorial Weekend and due to the level of participation later in the season, possibly continue into mid October, weather permitting. Our proposed dates are:

May (28)

June (4, 11, 18, 25)

July (2, 9, 16, 23, 30)

August (6, 13, 20, 27)

September (3, 10, 17, 24)

October (1)

TOWN MANAGER'S OFFICE

As in past years, this will be a donation based class, giving the student the choice of amount to donate. We will again share with a local charity or family in need.

The classes will be open to all levels of students and require nothing more than their mat or towel and the joy of participation. All of our yoga instructors are 200 Hour Yoga Teach Training Graduates.

Here at Dimitra Yoga we aim to create an atmosphere that is beneficial to both the body and the mind, as well as the community. Seeing our students grow, not only in class, but with each other, finding friendships and and building a strong community is rewarding to the foundation of our studio. We believe that by extending our hand and helping other businesses and donating back to a local charity or non-profit, that we follow the heart of this idea of the path of yoga.

We are very grateful for the opportunity that the Town of Bethany Beach has extended to us in the past summers. We look forward once again to continue to be able to help grow a vibrant and strong, body and mind community with the Town of Bethany Beach.

FYI - I will also put this message in the mail and send it to you today.

Thank you for your time and assistance!

Peace, Heidi Dimitra Yoga https://dimitrayoga.com/
